**CHARGES FOR ITEMS RETURNED TO US**

Unfortunately we are have had to introduce a handling charge for returns where items have been supplied as  
ordered and then returned for refund. This has been increased, due to Bank charges, to 6% of the goods  
value, and returns MUST be accompanied by either a copy of our original invoice, a document  
number or other details of when goods where supplied.

-----  
When ordering it would be appreciated if details such as model, engine size, year of  
manufacture, and gearbox type are quoted, if relevant, as it can be helpful to ensure you get the correct  
part. **Check part numbers ordered with a spares manual for your particular motorcycle, and  
quote reference numbers for specially numbered items such as kits, as per our list, whether  
ordering by phone or order form. Costs will be charged for exchange items wrongly ordered.**  
-----

Prices shown on this list include VAT at current rates, and are current only at date shown  
and may be subject to changes.

-----  
Visitors are welcome Monday to Thursday 9.00am until 5.00pm, a location map is shown on the web page  
-----

**PLEASE NOTE - We do NOT accept orders by e-mail, except by prior agreement,  
please do not send details this way especially card details.**
